SMALL BUSINESS WEBINAR SERIES

How to Craft Your Personal Narrative and Complete Your Personal Net Worth Statement?

This **free**, virtual small business webinar series is designed to help **small, disadvantaged, minority-owned, women-owned, and veteran-owned businesses** better understand the state of Maryland's procurement arena.

This webinar will provide an overview of how to craft and complete the required documents as per the Federal Final Rules regarding the Federal Disadvantaged Business Enterprise (DBE) and Airport Concessions DBE certifications administered in Maryland. Attendees will learn what information is necessary to complete both of these items, whether seeking a re-evaluation or as a new applicant for either one of these certifications. Upon getting certified you will be listed in one of our directories as a potential prime or subcontractor where our contracting entities can consider your business for the billions of dollars in purchases made in the state of Maryland's procurement arena.
